FOREWORD

IN APPRECIATION

Sharon Hill High School's Senior Class of 1963 is proud to be able to dedicate their yearbook to Mr. Peter A. LeDonne, a man whose understanding, guidance and hard work has made our stay here a most pleasurable and profitable one.

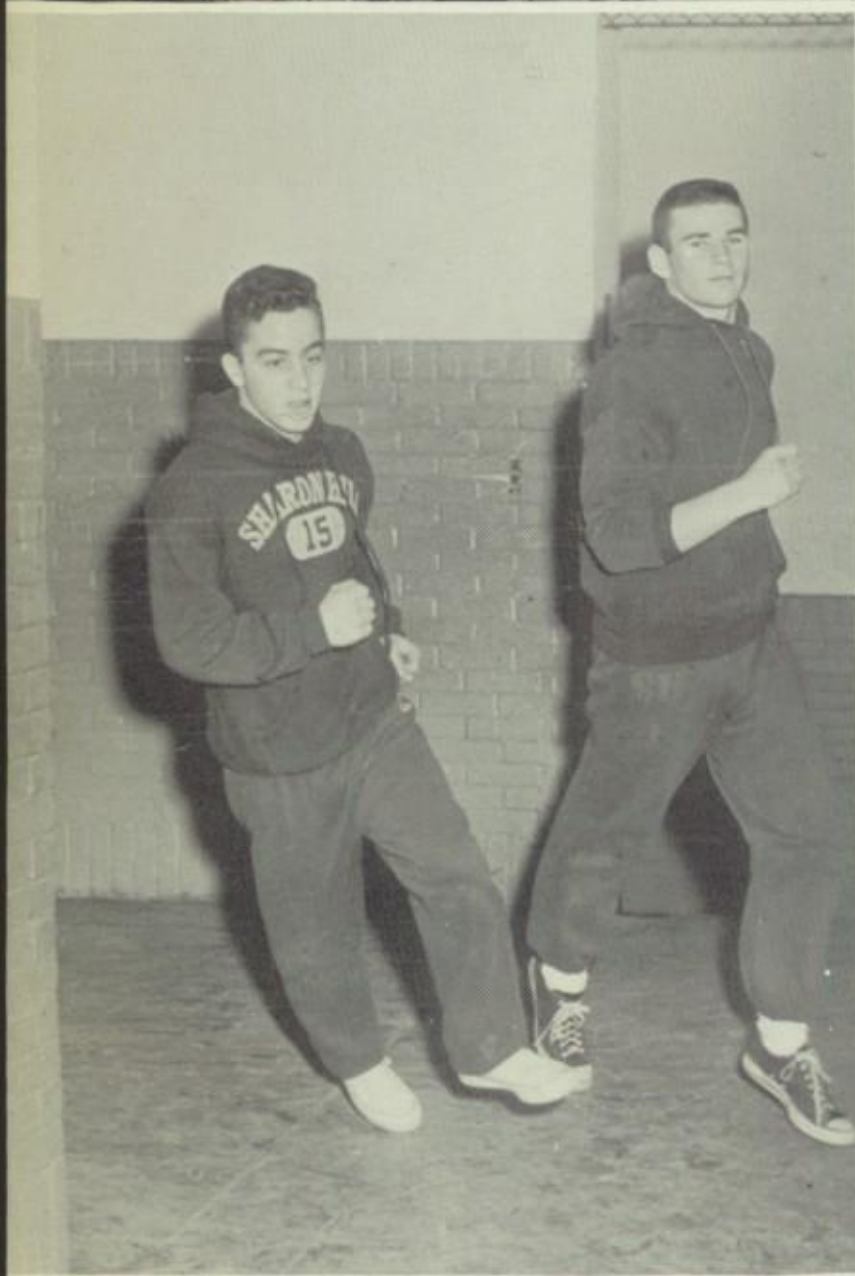

Mr. LeDonne, now the Supervising Principal at Sharon Hill, was once the guidance counselor, the Problems of Democracy teacher, and the football coach of our school.

Mr. LeDonne has had a very momentous past. Upon graduating from high school, he received scholarships to seven colleges. He chose to attend Temple. A star football player at Temple, he received offers to play professional football from the Detroit Lions, and the Philadelphia Eagles. It may be noted that he kicked the first field goal ever to be televised.

During his first years as a teacher and a coach at Bell Township High School, he coached a championship football team. Mr. LeDonne was nominated the "Coach of the Year" for western Pennsylvania. To his great honor he was also named head coach of the all star team.

Mr. LeDonne, who has been a member of the Phi Beta Kappa for a number of years, is the president of the Study Council (group B), which includes all the superintendents from certain schools in Delaware and Chester Counties. He is the vice president of the Temple University Alumni Association. He has been named in the Who's Who in American Education. Mr. LeDonne has the esteem honor of belonging to the 75 Club of America.

It is not hard to see why we chose Mr. Peter A. LeDonne to be the recipient of the dedication of our 1963 OWL. We are gratified to have him as the supervising principal of the Sharon Hill High School, and we hope that he will choose to stay here for many years to come.

UNDER THE SPOTLIGHTS

THE JUNIOR PLAY

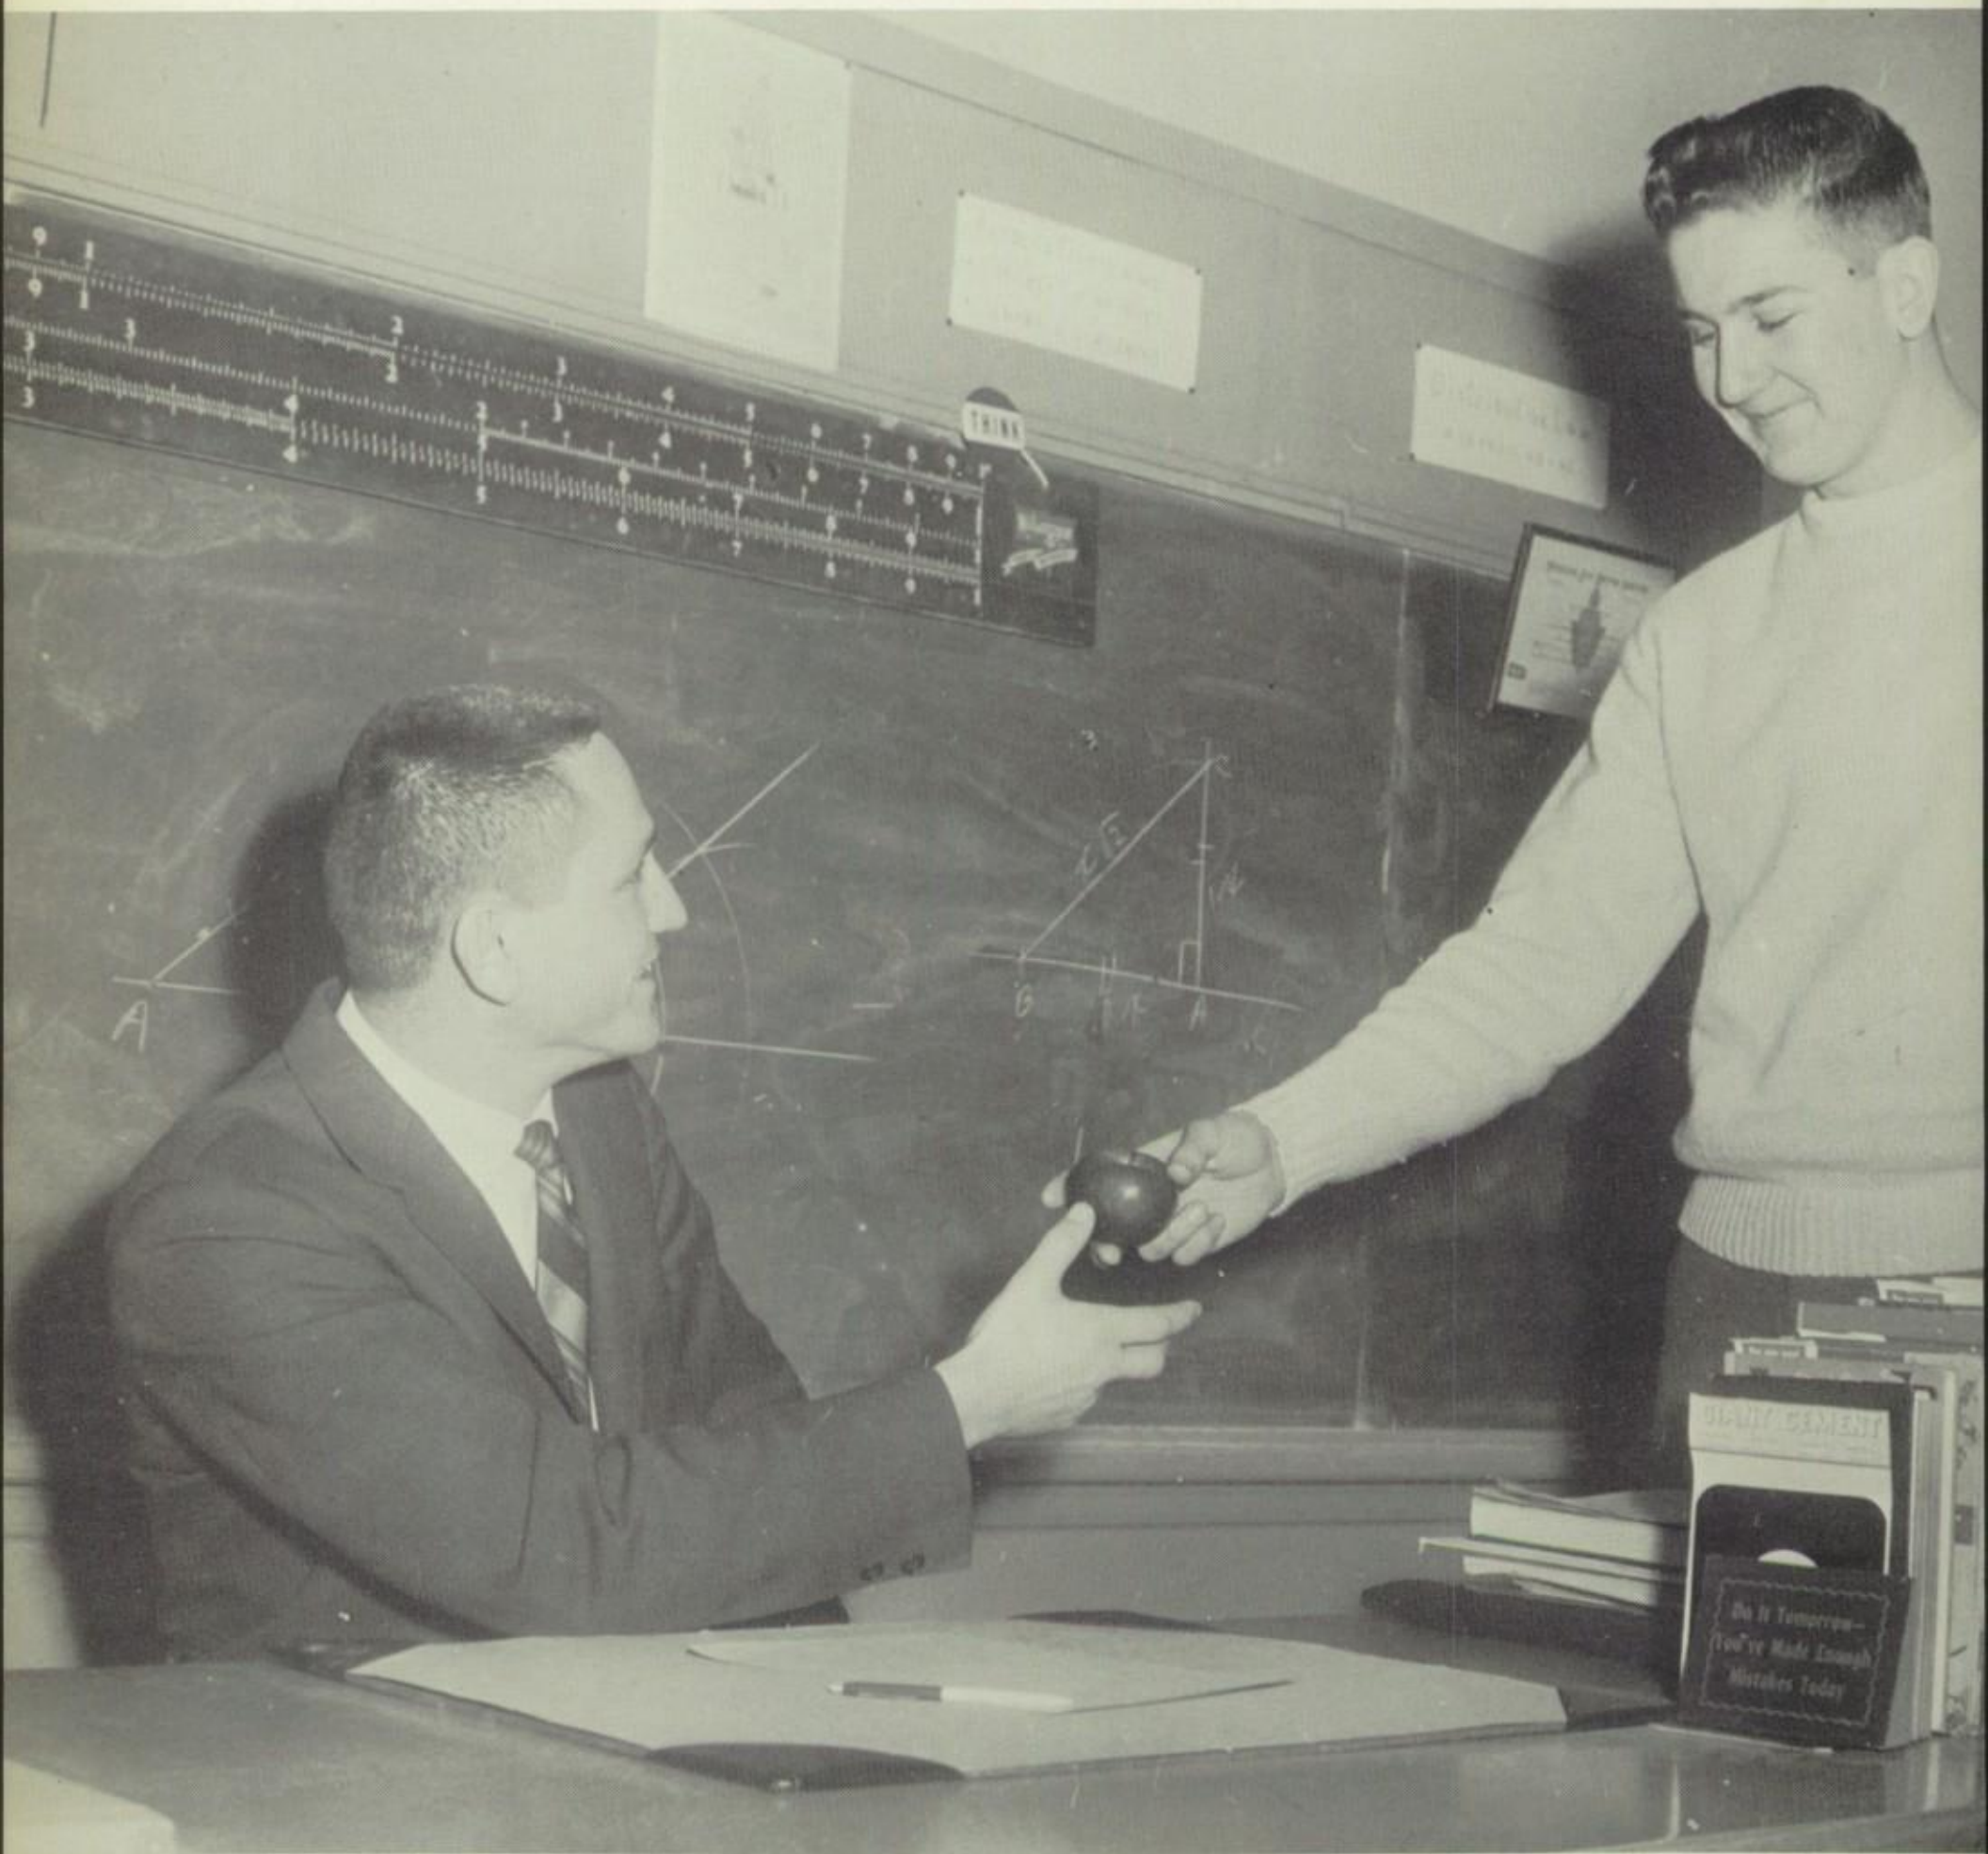

On November 18 and 19, 1961, the class of '63 presented "The Loud Red Patrick" by John Boruff. The actors in this comedy of three acts were under the direction of Mr. Robert Scholl. The play took place on the stage which had been set as a typical living-room of 1912.

The cast was selected in late September, and nightly rehearsals were scheduled. Soon committees were formed and it seemed as if the whole class was working toward an ultimate goal. Everyone enjoyed doing the play, even though it meant much hard work. However, the work proved worthwhile, for the play turned out to be a huge success.

ADMINISTRATION

FACULTY—CURRICULUM

OUR IMPETUS

The Sharon Hill School Board is composed of seven members, each serving a six year term. Receiving no compensation for their services except the knowledge of a job well done, the members work diligently in the responsibility entrusted to them.

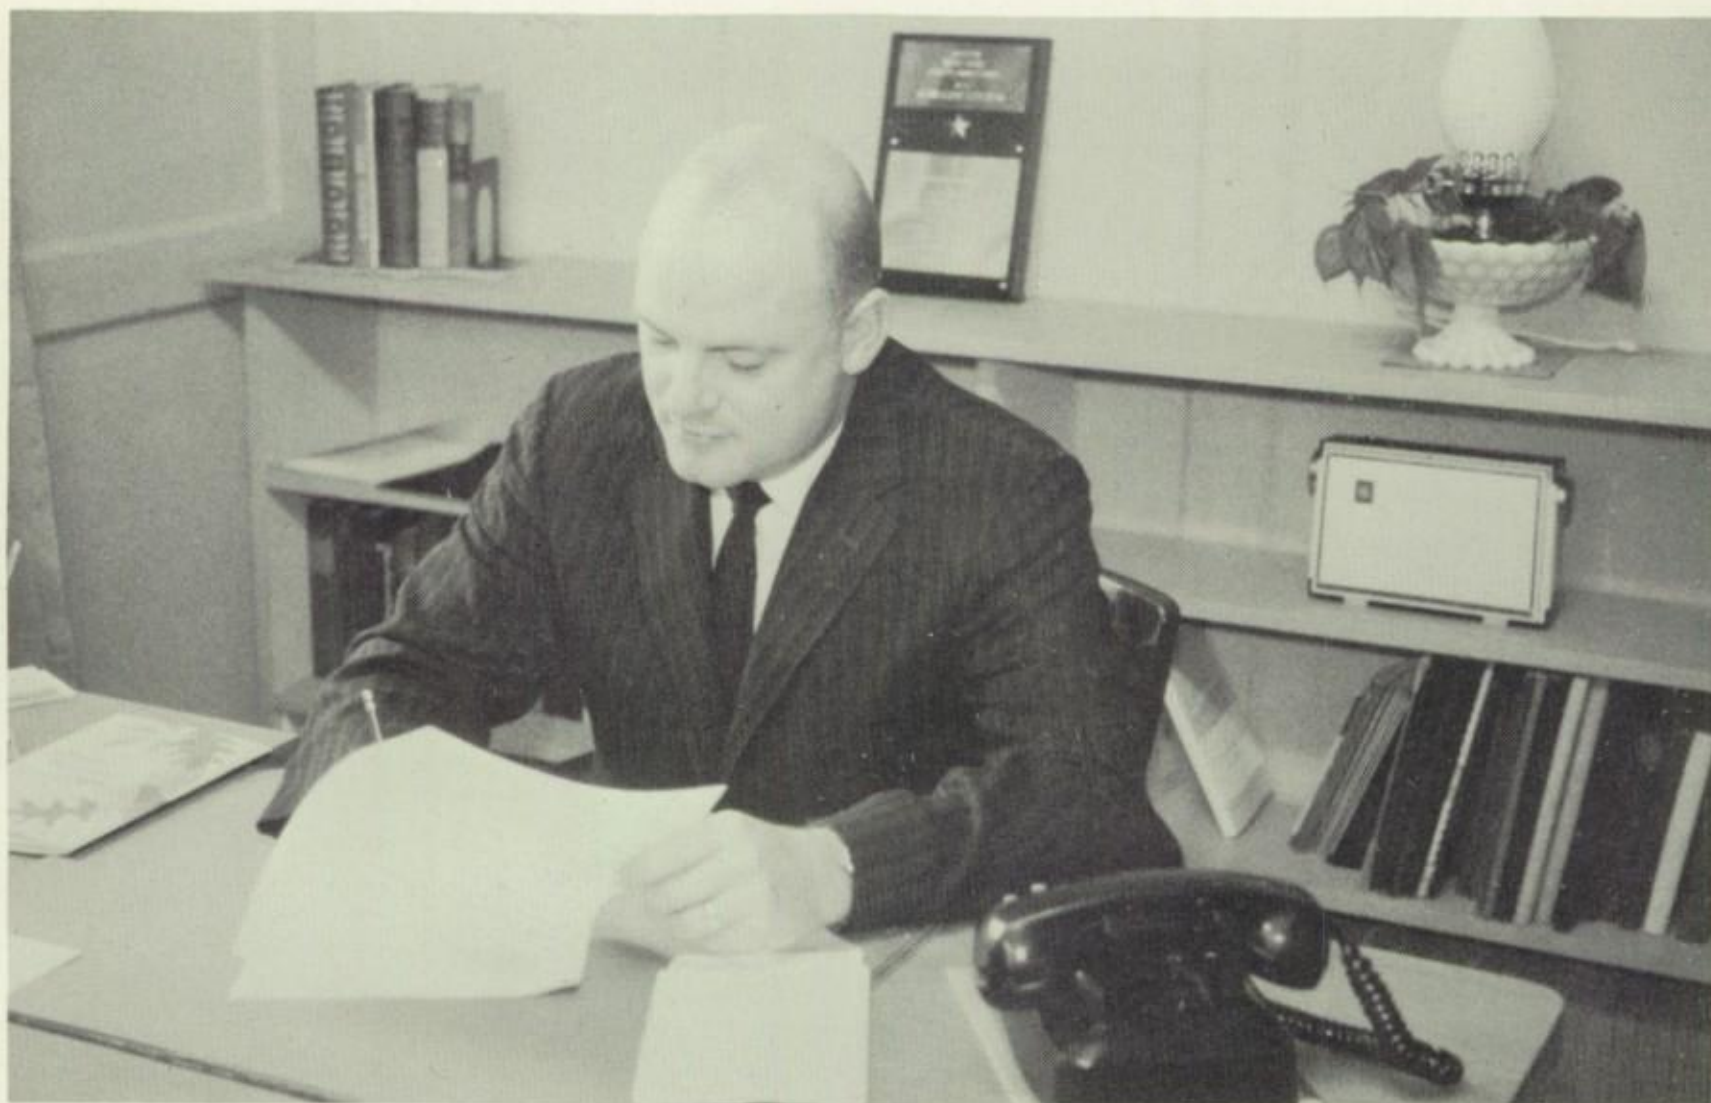

Acting as the legislative body which determines general policies for the operation, expansion, and control of the school district is the function of the School Board.

Across: Franklin A. Yeager, President; Bruce Crowley; Gordon Kitching; Franklin J. Koch, Vice President. **Down:** Paul Stewart; Charles Lytle; Joseph J. Buggy, Secretary.

OF PROGRESS

Mr. LeDonne, our efficient Supervising Principal, checks the books frequently to see that all is well.

OUR NEW PRINCIPAL

Mr. Scholl, our very capable principal, has had more than ample experience in the field of education in the Sharon Hill School District.

Before joining our faculty in 1955, Mr. Scholl received a Bachelor of Science degree at Millersville State College and a Master's degree at the University of Delaware. After earning his Master's degree, he taught at the Army Instructor's School of the Aberdeen Proving Grounds.

In his career here, he taught industrial arts and later Biology. His interest in our school from his first day is indicated by his many extra-curricular activities, such as: sponsor of the Future Teachers of America Club, attendance officer, assistant director of the Athletic Association, director of the junior play for a number of years and administrative assistant.

Although this is his first year as principal, Mr. Scholl has demonstrated all the qualities and requirements of an experienced administrator.

We, the students of Sharon Hill, would like to take this opportunity to thank you, Mr. Scholl, for all you have done to make this a very pleasant and outstanding year.

Miss Vance, our able school nurse, is on hand whenever needed as comforter and healer of the sick.

When information is needed on colleges or vocational opportunities, Mrs. Donaldson, our guidance counselor, is prepared to assist.

Mr. Sigda, the head of the Math Department, teaches all of his classes competently and with enthusiasm which is conveyed and reflected by his students. He teaches a varied curriculum from trigonometry to refresher math.

The Junior High students are taught the fundamentals of math by Mr. Drake. In the classroom Mr. Drake certainly displays his talent of being a very capable teacher.

Mr. Tinsley strives to prepare the Practical Arts students and the tenth grade business students with the math they will need upon leaving school and directly going into the business world.

Mrs. Cathers, who heads the science department, endeavors to give her Junior High Science classes a deeper insight in this intricate subject. In addition to teaching Science classes, Mrs. Cathers also has the responsibility of giving the seventh grade girls the fundamentals of Health.

A new teacher this year, Mr. Christie teaches his Physics and Chemistry classes with enthusiasm. Teaching science to the eleventh and twelfth grade students on the practical arts level proves to be a satisfying task for both teacher and pupils.

Taking over in the frogs and snakes department for Mr. Scholl is Mr. Runtagh. In his classroom the students study Biology from a very competent teacher who has a great understanding of the subject.

SPORTS and ACTIVITIES

SHA - HI

Under the sponsorship and guidance of Mrs. Hammer, the Sha-Hi keenly focuses the students' attention on the current events and views of school activities.

This year the Sha-Hi, with the competent editorship of Janet Davis and her associate editor, Lorraine Curcio, have displayed great interest and ability in exposing authentic, interesting, and up-to-date news articles.

The Sha-Hi sent many of its news items to the newly formed Delaware Valley Teen-age Times which is written for and by the students of the Delaware Valley.

OWL STAFF

Under the capable leadership of Bill White, editor, the "OWL" staff and committees worked diligently to produce the 1963 annual. The book's layout, the photographs, the written copy, the art work presented here are the result of many long hours of continuous effort and sacrifice.

The Editors and Managers of the various committees were:

Marlene Tinucci	Assistant Editor
Lois Brown	Layout Editor
Helen Ohlson	Copy Editor
Henry Bishop	Art Editor
Helen Barnett	Photography Editor
Janie Anderson	Business Manager
Emily Waldie	Advertising Manager
Barbara Hehn	Sales Manager

All unnecessary confusion was easily avoided with the complete cooperation of the entire group. We enjoyed bringing you this yearbook, and we only hope that our efforts have made your 1963 "Owl" a success.
